THE CENTRAL POINT

Local Option Measure the Pivot on Which All Legislation Depends.

IN STRUGGLE TO THE DEATH

Feb. 11.—To an un-
fate of the county unit measure is set
It is believed here that if the
senatorial race was out of the way
this legislature would pass a most
stringent temperance law and provide
for a vote by the people on an amend-
ment to the constitution so that a vote
on state prohibition might be had
three years from now. It is a pretty
fight and the result is in doubt.

Senator Newman of Woodford county
says that much dishonesty has
grown up in the matter of giving short
weights in packages or sacks of flour
and meal. He introduced a bill in the
senate some days ago to prevent this
fraudulent practice, and the senate
passed it almost unanimously. The
bill provides that every package or
sack of flour or meal shall have the
correct weight of the package or sack
printed on it in letters and figures
large enough to be easily read, and a
penalty is fixed for the violation of the
provisions of the law. It was stated
in the debate on the bill that in many
instances a sack of flour or meal pur-
porting to contain twenty-four pounds
really contained but nineteen, yet the
purchaser paid for twenty-four pounds.
Every housekeeper in the state who
looks after her everyday purchases
will be interested in this bill and
thank the senator from Woodford for
protecting them in this matter.

WILLIAM O. BRADLEY.

smaller planets are revolving. With-
out discussing the political features
of the situation, there is no harm in
telling the plain facts as to how the
matter stands. The test votes taken
in the house show that a large major-
ity of the Democrats are for the bill
and a large majority of the Republi-
cans are against it. It is freely ad-
mitted that Governor Beckham's friends
are working hard to have the bill passed
and that Governor Bradley's friends
are working just as hard to defeat it.
It is practically conceded that a United
States senator will not be elected un-
til the county unit bill is disposed of
one way or the other, for the reason
that the few legislators that are will-
ing to sacrifice everything to help the

It is the general belief that too few
legal hangings have been had in Ken-
tucky in the past twenty years, but if
a bill that is now before the legisla-
ture becomes a law there will never
be another legal hanging in the state.
In other words hanging is to be abol-
ished and all criminals condemned to
death will hereafter be electrocuted, as
they are in New York and other states.
The bill, which was introduced by
Senator McNutt of Louisville, provides
that all criminals condemned to death
shall be electrocuted in the peniten-
tiary at Frankfort, and does away
with public executions, only a limited
number of persons being permitted to
witness the execution. This bill

GREATLY LOVED WOMAN TAKEN

Mrs. Gabbert Dies at Her Home
in Louisville Mon-
day.

WAS IN HER SIXTY-FIFTH YEAR

Mrs. Mary E. Gabbert died Monday
morning at her home at Baxter and
Deer Avenues in Louisville after an ill-
ness of dropsy. Mrs. Gabbert was
sixty-five years of age and she had
lived her life beautifully, spending her
time making her children and loved
ones happy. She was the wife of the
late Dr. Gabbert, a prominent physi-
cian of Rockport, Ind., where she
lived until two years ago. Before her
marriage she was a Miss Lightfoot,
being a sister of Mr. Chas. Lightfoot,
of this city, Dr. Foster Lightfoot, of
Hawesville, and Mrs. George Dowden,
of Brandenburg.

Mrs. Gabbert is survived by three
sons, Melvin Gabbert, of California,
Lucien Gabbert, of Cleveland, Ohio,
and Dr. Forrest Gabbert, of Louisville,
with whom she made her home.

This time last year Mrs. Gabbert was
in Los Angeles, California, and she
wrote the News that she was enjoying
the fruit, the flowers and the sunshine,
but could not do without her home
paper. She took a great interest in all
the pleasures of life, and the removal
of this bright beautiful character will be
a sad separation to her friends.

Mr. and Mrs. Chas. Lightfoot left on
the Monday afternoon train to attend
the funeral and interment that took
place in Louisville.

Many Deaths Occur During The
Last Week—Mr. Will Reid
Dies in California.

UNCLE GEORGE ROBERTS GONE.

Breckenridge county lost one of its
oldest and most respected citizens when
Mr. George Roberts died last Friday at
his home near Fordsville. His death
was due to general debility. He was
called "Uncle George" by most every
one and his friends were many and true.
Mr. Roberts was the father of thirteen
children, nine of whom are living. He
was past ninety years of age.

The death of Mrs. Joe Fowler causes
general regret in Breckenridge county
as well as in Meade. She died Satur-
day at her home in Brandenburg. Mrs.
Fowler was a sister of Mr. D. L. John-
son.

The many friends and relatives are
grieved to learn of the death of Mr. F.
B. Hardin, which occurred at Montreal,
Canada, February the fourth. Mr.
Hardin was fifty-six years of age, and
his wife with one son, age sixteen, sur-
vive him. He was a brother of W. H.
Hardin, of Owensboro; Dr. J. M. Hardin,
of Brandenburg; Sam and A. M. Hardin,
of Lodi; Mrs. Ida Brown and Mrs.
Lizzie Robinson.

The home of Mr. and Mrs. L. T. Reid
was stricken with sadness Saturday
when a telegram came informing them
of the death of Mr. Reid's brother, Mar-
tine Reid, which occurred at Ocean Side,
California. Mr. Reid had been ill of
lead poisoning two weeks, having con-
tracted it from the lead mines, where he
had mining interests. He was thirty-
five years of age and was the son of
Mr. and Mrs. Wm. Reid, of Bucyrus,
Ohio. Mr. Reid had visited here several
times and his visits were always oc-
casions of much pleasure to Mr. and
Mrs. Reid and their friends. Mr. Reid
left Monday afternoon for Bucyrus,
where the funeral will be held to-
morrow.

DIED—At his home in Warsaw Tues-
day, January 28, 1908, at 3 p. m., Albert
C. Lishen, aged 41 years, 5 months and
12 days.

Deceased was born in Warsaw Aug-
ust 16, 1866, and was reared and
educated in our schools. He proved
himself a bright scholar while attending
school, and afterward a model young
man, sober, honest and industrious,
making friends with whomsoever he came
in contact. When 17 years of age he

went south, to Cloverport, Ky., and
did clerical work there for about nine
years. On August 23, 1887, he was
united in marriage to Miss Katharine
Bernscheuer, of Warsaw, who survives
him to mourn the loss of a good and
most kind husband. In 1889 he moved
back to Warsaw with his family, and
with the exception of a few years spent
at Hampton, Ill., has resided here ever
since. For a short time he kept a meat
market here in company with his
brother, Louis, and the rest of the
time worked at various trades. By
holding his earnings carefully together
he was enabled to provide for his
family a comfortable home.

About two years ago his health began
to fail. His kidneys frequently gave
him much trouble. Doctors were con-
sulted and remedies applied, but in-
stead of getting better he grew worse.
But he bore his affliction with Chris-
tian patience and remarkable fortitude.
During the last days of his life, when it
became more and more apparent that
the end of his earthly career was at
hand, he used to say, "Yes, for my
family's sake especially I would like to
get well one more, but if the Lord
wills otherwise I am willing and ready

to go."

Besides his widow and two children,
one daughter, Miss Marv, and one son,
Albert, he leaves his aged father, Carl
Lishen, and three brothers, Edward
and Henry, of Culver, Kan., and Louis,
of Peoria, also two sisters, Mrs. Anna
May, of Cloverport, Ky., and Mrs.
Hattie Haum, of St. Louis.

The funeral will be held this (Friday)
afternoon at 2 o'clock from the Luth-
eran church.—Warsaw Bulletin.

Mr. Lishen was a half-brother of Mrs.
Fred May, and an uncle of Mr. Carl
Lishen, of this city. When he lived
here he worked at Bowmer's store.

Mr. James Clarkson died this morn-
ing a few minutes before ten at his
home near Big Spring of grippe. Mr.
Clarkson was one of the most remark-
able old men in this section of the coun-
ty. He was ninety-two years old last
August. He was a father of six living
children. Mr. J. R. Clarkson near, this
city; Mr. Jesse Clarkson, who lived
with him, Mrs. J. L. Talbot, Mrs. A.
D. McCas, Mrs. James Clarkson and
Mrs. Mat Adams. The arrangements
for the funeral have not yet been made.

FINE PRINTS.

Care With Which They Are Treated by Amateurs and Collectors.

How careful collectors and amateurs of fine engravings are of their treasures is illustrated by a written agreement that a local firm of dealers in such things had to sign recently when they wanted to borrow several particularly rare engravings for an exhibition they were to have in their galleries. The owner of the prints insisted that from the time the box in which the prints were sent to the dealers was opened in the shop no hands but those of the junior partner of the firm were to touch them. The owner stipulated expressly that the member of the firm was to take them out of the box, frame them himself, hang them on the walls and when the show was over follow the prints back through these various stages until a porter was ready to screw the cover of the packing box on again. The prints were so rare and fine that the junior partner cheerfully agreed to all of these conditions for the sake of showing the engravings.

That the prints were extremely rare may be appreciated from the fact that before two of them in particular came into the private collector's possession he made a special journey to Stuttgart, Germany, to see them, and when he looked at them he left an open order to a dealer in that city to buy them, no matter what they cost. He got them, but he paid the highest price ever known for such engravings to being—New York Press.

At times when you don't feel just right, when you have a bad stomach, take something right away that will assist digestion; not something that will stimulate for a time but something that will positively do the very work that the stomach performs under ordinary and normal conditions, something that will make the food digest. To do this you must take a natural digestant like *Kofo* for dyspepsia. *Kofo* is a scientific preparation of vegetable acids with natural digestants and contains the same juices found in a healthy stomach. Each dose will digest more than 3,000 grains of good food. It is sure to afford prompt relief, it digests what you eat and is pleasant to take. Sold by All Druggists.

If you have Catarrh, rid yourself of this repulsive disease. Ask Dr. Shoop, of Racine, Wis., to mail you free, a trial box of his Dr. Shoop's Catarrh Remedy. A single test will surely tell you a Catarrh truth well worth your knowing. Write to day. Don't suffer longer. Sold by all druggists.

Getting His Own Dock.
An ironworker, having had the worst of an argument with a friend, decided to get even with him.

Waiting, therefore, until his enemy had retired to rest one night, he approached his street door and knocked loudly in order to wake him.

Opening the bedroom window, the other hurriedly inquired what the noise was all about.

"Why," replied the outside one, "one of your windows is wide open."

"Which one?"

"Why, the one you have your head through," chuckled the other as he went away satisfied with the success of his plot.—Illustrated Bits.

Use DeWitt's Little Early Risers, pleasant little pills. They are easy to take. Sold by All Druggists.

Good For an Appetite.
"You must have a good appetite," remarked the thin man enviously. "What do you take for it?"
"In all my experience," replied the plump one, "I have found nothing more suitable than food." — Philadelphia Press.

Neighborhood Favorite.
Mrs. E. D. Charles, of Harbor Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us. It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood as a purifier makes it especially useful as a spring medicine. This grand alternative tonic is sold under guarantee at Severs drug store. 50c."

The Full Particulars.
The other day a lady who lives in our town entered a grocery store and asked to be shown a good kind of breakfast cereal.
The clerk took down a package and said:
"Madam, this is a predigested food."
"Oh, is that so?" she returned. "And by whom?"—Woman's Home Companion.

Many Sleepless Nights, owing to a Persistent Cough. Relief Found at Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Hayner, editor of the *Burles, Clev. Bulletin*. "Various remedies were tried each year, with no beneficial results. In November last the cough again put in an appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was indeed marvelous. After three doses the cough entirely disappeared and has no more fastidiously itself since." This remedy is for sale at Severs drug store.

Hughes, of New York, seems to be the favorite man for the Re-
publican nomination among Breckenridge county Republicans. Many
of them, the rank and file of the party, are outspoken for him.

There's a new way and a better way of doing things. Let's get
out of the rut, in farming, in keeping store and in running a news-
paper. The old way of paying as you please for goods, for news-
papers, for farm products is a thing of the past. Suppose a railroad
train gave every man his own time they would get into a ditch sure.
The same thing holds good in other lines of business. See?

It doesn't seem possible, hardly, in a square deal, to draw twelve
names out of a jury box in Breckenridge county and get all Democrats
or all Republicans. But that is just what has happened in the
drawing of the present grand jury. It is just such one-sided purely
partisan acts that makes trouble with any party. The people in
Breckenridge county want to get above the little things in politics.
They want a square deal, for every man, all parties and all citizens.

Gussie Smith, a tenant on Jesse Howard's place, near Glendene,
raised 6,780 pounds of tobacco on four and one-half acres, and sold
it at 89, 89 and 83. The crop brought him \$561. W. J. Hall, who
is going to crop with Howard this year, says he will beat Smith's
record. Mr. Hall says Mr. Howard has one of the finest farms in
Breckenridge county. We like to see this rivalry for good crops.
Our advice is to pull for the quality and not the quantity. Buyers
are always looking out for the best crops.

"Taft and Hughes" and "Bryan and Johnson." These will con-
stitute the Republican and Democratic tickets, respectively, at the
next Presidential election, says our Washington correspondent.
There'll be no chance for a favorite son or for a dark horse; these
men have been picked as the ultimate choice of the two big parties—
picked by men who make their living in this way, and for this reason
they claim that they are pretty apt to be right. Washington re-
ceived a visit this week from a western campaign button manu-
facturer, and according to him the button-makers do not plan to spend a
cent on the likeness of Fairbanks, Cannon, Foraker, Knox, or any
other possible piece of Presidential timber. He claims that he and
his colleagues in the button industry have carefully sized up the sit-
uation, with the result aforesaid. The production of the campaign
buttons which retail for a nickel costs thousands of dollars, and the
work of turning them out in sufficient quantities must commence
weeks before the demand, so, the visitor pointed out, the men who
put their money into this business have to examine and weigh the
situation pretty carefully before deciding whose portraits to put on
the little discs. However, this manufacturer only represents one but-
ton house, and he may have been guided by his personal preferences;
other manufacturers may be equally sure that other buttons will be
in demand, and in this thought there still is left some ray of hope for
the other candidates for the nominations of their parties.

TAX CONFERENCE

Students of National Fame Will Discuss Taxation at Columbus.

In response to a call in August by Governor Harris of Ohio, there will be held in Columbus, Ohio, November 12, a national conference of the National Tax association. Delegates have been appointed to this meeting by the governors of all the states, and it will, in addition, be attended by many tax experts from all over the country. The discussion will take a wide range, covering every phase of the question of taxation.

Such a gathering as that which is to be held in Columbus will result in dissemination of a great deal of information on the subject of methods of taxation, and is bound to stimulate still further the interest in this reform. Governor Beckham has appointed three gentlemen to represent the state of Kentucky. It is very much to be hoped that they will attend, as Kentucky has as great an interest in any other state in this question and very much greater interest than some other states that have made more progress than we have toward a better tax system.

The Proposed Reforms.

The purpose of the conference are thus announced:

To secure an authoritative and an exhaustive discussion of the subject of state and local taxation in all of its details.

To produce a volume of proceedings containing the best thought of those who, by reason of their special education training and practical experience, are qualified to speak with authority upon the special branch of the subject they may elect to discuss.

To furnish to the members of the legislature of the several states a concrete, up-to-date statement of the economic and business principles that should be applied in state and local tax legislation, to be used as a guide for their action when considering proposals to improve the tax laws of their respective states and in the administration of the same.

By this means to secure the application of correct economic and business principles in all tax legislation, and thus develop a high degree of uniformity in the tax laws of the several states.

By securing uniformity in state tax laws, to eliminate the evil of changes in local revenues and consequent loss of business undertakings induced by differences in state tax laws, and to create conditions of high value in aid of the effective and economical management of the financial affairs of all state and local governments.

Are You Sick?

Much sickness is due to a weak nervous system. Yours may be. If it is, you cannot get well until you restore nerve strength. Your nervous system is nature's power house; the organs of your body get their power from it. If the power is not there, the action of the organs is weak, and disease (sickness) follows. Dr. Miles' Nerve Cure cures the sick because it soothes the irritated and tired nerves and gives the system a chance to recuperate. Try it, and see if you do not quickly feel its beneficial effect.

"I was given up to die by a leading doctor. Got out of my bed and found that Dr. Miles' Nerve Cure fit my case. From the very first dose I took I got better. I am better now than I have been for years, and do all my own work. I am sure that what Dr. Miles' Nerve Cure has done for me, and I am glad to recommend it to others."

JOHN JAMES, Riverton, Neb. Your druggist sells Dr. Miles' Nerve Cure, and will return price of first bottle (only) if it fails.

Many A Kentucky Citizen Knows How Sure They Are.

Nothing uncertain about the work of Doan's Kidney Pills in Kentucky. There is plenty of positive proof of this in the testimony of citizens. Such evidence should convince the most skeptical sufferer. Read the following statement:

Mrs. L. Varall, living at 923 Fifth St., Louisville, Ky., says: "I am happy to say that Doan's Kidney Pills have brought great benefit to me and to other members of my family. I frequently had attacks of backache and trouble before using your remedy, but after using two boxes of the pills the troubles were entirely cured, have recommended Doan's Kidney Pills to a great many of my friends for I attribute my present good health to the use of Doan's Kidney Pills."

A LESSON IN GERMAN.

Follow It Closely and You Will See How Really Simple It Is.

Among the Hottentots (Hottentot in German) the kangaroos (Beuteltiere) are found in great numbers. Many of them wander over the country free and un molested; others, less fortunate, are taken by hunters and put into cages (Käfigen) provided with covers (Lattengitter) to keep out the rain. These cages are called in German Lattengitterkottentot, and the kangaroo after his imprisonment takes the name of Lattengitterkottentot. One day an assassin (Attentäter) was arrested who had killed a Hottentot woman, Hottentotmutter, the mother of two stupid and stuttering children in Straßentrotter. This woman in the German language is called Hottentotmutterkottentotmutter, and her assassin takes the name Hottentotmutterkottentotmutter. The murderer was confined in a kangaroo's cage—Beuteltierkottentotmutterkottentotmutter—when a few days later he escaped, but fortunately he was recaptured by a Hottentot, who presented himself at the mayor's office with beautiful face.

"I have captured the Attentäter," said he.

"Which one?" replied the mayor.

"The one who is called Lattengitterkottentotmutterkottentotmutter."

"Which Attentäter are you talking about?"

"About the Hottentotmutterkottentotmutterkottentotmutter."

"Then why don't you say at once the Hottentotmutterkottentotmutterkottentotmutterkottentotmutter?"

The Hottentot died in dismay.

They Made Her.

A grand mother was removing her little grandchildren for making so much noise.

"Dear me, children, you are so noisy today. Can't you be a little more quiet?"

"Now, grandma, you mustn't scold us. You see, if it wasn't for your, you wouldn't be a grandma at all."—Harper's Weekly.

The Jumping Off Place.

"Consumption had me in its grasp and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery; and want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again."—George Moore, of Grimsland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discoveries is supreme. 50c and \$1.00 at Severs drug store. Trial bottle free.

Must Charge to Get Crowd.

The ladies' guild of an up town church had planned an evening entertainment and reception and asked the pastor to make announcement of it on the Sunday preceding.

"This is all right," he said, "but you must charge admission."

"Why, this is just a social evening," they protested. "We are inviting people."

"They won't come," said the pastor, "because they will think it is not worth while. But charge a small admission and you will have a good crowd." So the women gave in, and subsequent events proved the pastor was right.—New York Press.
